INDEPENDENT AUDITORS' REVIEW REPORT

To
The Board of Directors,
GTL Infrastructure Limited

1. We have reviewed the accompanying Statement of Standalone Unaudited Financial Results ("the statement") of **GTL Infrastructure Limited ("the Company")** for the quarter and Nine months period ended 31st December, 2017, attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the statement based on our review.
2. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatements. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. As mentioned in Note no. 5 of the statement, during the quarter the scheme of Arrangement for the merger of Chennai Network Infrastructure Limited with the Company having appointed April 1, 2016 has been approved by the National Company Law Tribunal, at Mumbai and Chennai, and the comparatives for the previous periods/year have been restated to give the effect of the scheme. Our review has been restricted to the figures shown in the column headed "For the Quarter ended on December 31, 2017" and "For the Nine Months Period ended on December 31, 2017". We have traced the figures shown in the column headed "For the Quarter ended on September 30, 2017", "For the Quarter ended on December 31, 2016", "For the Nine Months Period ended on December 31, 2016" and "For the Year ended on March 31, 2017" from the information as certified and provided by the Management of the Company. Further the figures shown in the column headed "For the Quarter ended December 31, 2017" are the balancing figures between the figures shown in the column headed "For the Nine Months Period ended on December 31, 2017" and the figures for the half year ended September 30, 2017 as certified by the Management of the Company.

4. Basis for Qualified Conclusion

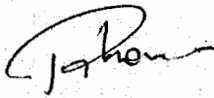

As mentioned in Note No.4 to the statement, the Hon'ble Supreme Court of India held that "Mobile Telecommunication Tower" is a building and State can levy property tax on the same. Pending Special Leave Petition before the Hon'ble Supreme Court in this regard, other petitions of the Company before other appropriate Courts, non-receipt of demand notices for property tax in respect of majority of the Telecommunication Towers and also due to company's right to recover such property tax amount from certain customers, the company is unable to quantify the amount of property tax to be borne by it and accordingly has not made any provision for the same. We are unable to quantify the amount of the property tax, if any, to be accounted for and its consequential effects on the statement.

5. *Qualified Conclusion*

Based on our review conducted as above, *except for the possible effects of our observation described in the "Basis for Qualified Conclusion" Para 4 above*, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable Indian Accounting Standards prescribed under section 133 of the Companies Act, 2013 read with relevant rules issued thereunder and other accounting practices and principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, read with SEBI Circular No. CIR/CFD/FAC/62/2016 dated 5th July, 2016, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Additional information not forming part of the unaudited statement of standalone financial results for the Quarter and Nine Months Period Ended December 31, 2017

1. On January 2, 2018, the Company has received a notice from Aircel informing about Aircel's surrender of licenses in 6 circles and consequently seeking to terminate services in the said 6 circles, Aircel currently has 23,726 tenancies with the Company. Exit notice was received for 1994 tenancies pertaining to these 6 circles and such increase further. In respect of these circles and others, the Company believes that it has binding long term contractual lock in arrangements with Aircel. The Company has initiated legal proceedings against Aircel in an endeavor to protect its rights/claims under these arrangements and has demanded compensation for whole of the balance period for the tenancies in these circles for recovery of Rs. 91,594 lakhs (including wrongful termination and outstanding as of the date of application). While the Company has unambiguous contractual protection, there are some apprehensions regarding Aircel's financial viability. As on the date, Aircel has failed to pay monthly infrastructure provisioning fees from November 2017 onwards and the outstanding overdues are in excess of Rs. 30,000 lakhs. Our ability to recover our outstanding dues and future infrastructure provisioning claims, is contingent on Aircel's ability to pay.
2. During the quarter, due to significant events beyond the management control such as, announcement of merger between Tata and Airtel, shutdown of wireless business by Reliance Communications (including SSTL), there has been a loss of 2,314 tenancies of Tata teleservices, Reliance Communications & SSTL. This has affected the revenue of the Company for the quarter. The continued impact of these external circumstances which are adversely affecting the telecom sector, will continue to be felt during the next quarter and next financial year.
