**Note:**

As a result of the unprecedented shutdowns / bankruptcies and consolidation in telecom sector during last 4-5 years, debt of the Company became unsustainable and there is urgent need to restructure the same. Thus, the Company believe that lenders need to restructure the debt in time bound manner after completing TEV study as per Reserve Bank of India's guidelines.

However, the Company continues to provide the outstanding amount and amount overdue in its books of accounts (after adjusting INR 1,145.01 Crore appropriated by IDBI Trusteeship Services Limited and payments made by the Company) as per terms and conditions of Strategic Debt Restructuring Scheme as approved by then lenders.
